

ZAHE IZZAT O AETLAAE MOHAMMED

by Ala Hazrat Imam Ahmed Raza Khan (may Allah shower mercy upon him)

Translation by Aqib alQadri

Zahe Izzat o Aetala-E Mohammed

Ke Hai Arsh E Haq Zere Paa-E Mohammed صلى الله عليه وسلم

How lofty is the honour and the station of Mohammed,
The Throne of the Almighty, is at the feet of Mohammed!

Makaa(n) Arsh Unka Falak Farsh Unka

Malak Khaadimane Sara-E Mohammed صلى الله عليه وسلم

The Throne is his home, the sky his carpet,
The Angels are the servants of the castle of Mohammed

Khuda Ki Raza Chahte Hai Do Aalam

Khuda Chahta Hai Raza-E Mohammed صلى الله عليه وسلم

The two worlds seek the pleasure of Allah,
And the Almighty seeks the pleasure of Mohammed

Ajab Kya Agar Raham Farma Le Hum Par

Khuda-E Muhammad Baraa-E Mohammed صلى الله عليه وسلم

Why wonder if He has mercy upon us?
The Lord of Mohammed, for the sake of Mohammed?

Dame Naz'a Jaari Ho Meri Zaba(n) Par

Muhammad Muhammad khuda-E Mohammed صلى الله عليه وسلم

In the throes of death, may I be saying,
"Mohammed, Mohammed, O the Lord of Mohammed"!

Asaa-E Kaleem Azdahaye Ghazab Tha

Giro(n) Ka Sahara Asaa-E Mohammed صلى الله عليه وسلم

The staff of Musa was a python, wrathful,
The support of the downtrodden, is the staff of Mohammed.

Khuda Unko Kis Pyar Se dekhta Hai

Jo Aankhei(n) Hai Mahve Lika-E Mohammed صلى الله عليه وسلم

How lovingly does the Creator look at those eyes,
The eyes that are engrossed in the vision of Mohammed.

Ijabat Ka Sehra Inayat Ka Joda

Dulhan Banke Nikli Dua-E Mohammed صلى الله عليه وسلم

With a crown of acceptance, and a gown of blessings,
Like a bride goes forth, the prayer of Mohammed!

Raza Pul Se Ab Wajd Karte Guzariye

Ki Hai Rabbe Sallim Sada-E Mohammed صلى الله عليه وسلم

O Raza, now cross the bridge swirling in ecstasy,
For "Safety, my Lord!" is the supplication of Mohammed!
